

How can the existing time machine help you ?

If you want to get to 1908 and you can just call 751754 and they will deliver a time machine to you, a time machine to you for only £20. It looks like a bike just can't move. This time machine can teleport you anywhere you would like to go, even back before the Victorian times or back before then. Would you like to know how it works if so read on.

How it works

Firstly, you need to get on the bike. This is the powerful time machine. Immediately, close your eyes otherwise you will get very sick. When you are ready you can start to pedal. After you, have started to pedal you can say out loud where you want to go like the 1908s. To get where you want quicker pedal faster. After, 15 seconds has been you need to open your eyes. Then you will be where you wanted to be.

The Way to Get Home

When you would like to get home from 1908 all you have to do is say "Home, home, home take me home to 2017 and then you have to open your eyes after 15 seconds you will be home. When you get back home you can put it away somewhere safe where you can find it again to use.
