Have you ever wanted to jump allht a car and go back in time?

Travaling back in time is fun . use my amasing invenition and then you will trareling back in time.

Using my fantastic door to visit pantomimes in 1988.the amazing time car meansyou wont have tto drive aniy where ,just seated to where you want to go anywere any time and you will feel happy, why don't you jumpin out the a masing time car and say good by 2017?

The furst thing you need to do is to pull the drivers side. The door opens,and at this point you sit in the big black shiny seat don't forget to put your seat belt on! When you have done all thes ,you need to steering wheel. After that you turnt the spechal key into the ighihion and thern you chanch gears lastly you put the hand brach down and you are redy to go.
