

How does the rocket man work?

If you would go through time then this remarkable device is for you. This marvellous machine will help you complete your dreams. Would you like to know how it works then read on...

How it works? You press a giant big red button next to where you sit on the sofa you need to move your legs in both directions then the controls will pop out slowly that they are red with a tint of light blue. It also looks like a steering wheel. It will supply you with the greatest amount of your favourite food/drinks such as mash potato scrumptiously made in warm luscious gravy and vegetables as sweet as can be roast chicken crispy golden brown when you want. This fabulous machine only uses the finest coal in the land to activate it. Meanwhile, you can voice play so music just say play music rock, pop, jazz or smooth & pick also a special feature is wifi so you can have internet so cool!!

The only problem is with this magical contraption is that if you use it you will have Epilepsy after 3 weeks also you will be crazy.
