

Lacrosse Match Report – Wednesday 14th June 2017

St Mary's Timsbury started the lacrosse tournament against St Mary's Bath. We were a little bit rusty to start off with and soon found ourselves 3-0 down. However, through great teamwork and determination we came back to draw our first game 3-3.

Unfortunately, our second game didn't go to plan and we lost to Oldfield A 6-2, who later went on to win the tournament. However, our third game brought a turn of fortune beating Paulton 3-2 with the final play of the game.

We then went through to a play off where we had to play two games against Paulton A and Paulton B. We lost our first game 3-2 but won our final game 4-1. We finished the tournament in 6th place overall.

Mr Finlay was really pleased and impressed with the children and would like to thank:

Jack (y5)
Lilly (y6)
Sam (y6)
Finley (y5)
Olivia (y5)

We'd also like to thank their parents for taking them to the event and their support. Well done everyone!
