

If you are struggling to remember some of the bad youve done,then walk into the kichin get a tea or coffy and then get ready for your adventure in the time razer.

Which is super colerfull.

It can take you back in time,would you like to now how it works then read on.

How it works

Its simple you just put your new clothes on,pull the big red leaver step into the room shut the door type up were you wont to go like China in 1988 or Italy in 1988,and then press shift and you will be on your way.

If you want to get out push the big red shiny button to open the door, there is a inmergency button udder the desk if the ever button doesnt work.

Step onto the tellepoter when your ready to go and you will be there in no time.

Make shour your not being followed. # wonder dreams
