

HOW DOES THE TELEPORTER WORK?

Have you ever done something amazing and you can do it again, well this is the thing for you. The Teleporter 3000 can back in time {warning don't mess up the past and the further} .

Right now lets tell you the rest step one you buy my product . How to work the teleporter step two press the big red button {on the back} step three you press the lever and keep it on now wait a 1-2 minutes and close the top of the teleporter. And have fun in the past and further.

When your in the future make shore you don't mess up
the future.
