St Mary's Church of England School

Last Updated: January 2020

In our school our Christian vision shapes all we do.

**"Mary treasured up all these things and pondered them in her heart"**

*Like St Mary we are a warm, nurturing safe place for the children who attend our school.*

*We are an inclusive school that welcomes children of all faiths and none. We celebrate difference and diversity, and all individuals are valued.*

*We seek to inspire a lifelong love of learning, through nurturing all abilities, enabling every student to prosper and fulfil their potential.*

*We are at the heart of Timsbury village, serving local families, but we also reach out to collaborate with our partners in the wider educational community.*

*We are proud we share our patron saint with our parish church and we have an excellent relationship with our church.*

*This is a school that cares passionately about our environment, protecting God's creation, and all decisions we make are made with that in mind.*

'Religious education in a Church school should enable every child to flourish and to live life in all its fullness. (John 10:10). It will help educate for dignity and respect encouraging all to live life well together.'

RE Statement of Entitlement from the Church of England Education Office Feb 2019

## Policy Statement

Religious Education (RE) has a very high profile within the St Mary's curriculum and makes a significant contribution to preparing pupils for life in modern Britain. Learning activities provide fully for the needs of all learners. Pupils will be inspired by the subject and develop a wide range of skills such as enquiry, analysis, interpretation, evaluation and reflection, to deepen their understanding of the impact of religion on the world. Christianity is taught as a living and diverse faith, focused on the teachings of Jesus and the Church, alongside a range of religions and worldviews. Religious Education encourages pupils to learn from different religions, beliefs, values and traditions while creating a safe space for them to explore their own beliefs and questions of meaning.

## Legal Requirements

As a Voluntary Controlled (VC) School, at St Mary's we are required to follow the locally agreed syllabus, Awareness, Mystery and Vales (AMV) drawn up by the standing Advisory Council for Religious Education [SACRE]

Section 48 of the 2005 Education Act requires the inspection of religious education in schools which have a religious character. This is the Statutory Inspection of Anglican and Methodist Schools. (SIAMS)

## **Manning the right to withdraw**

Parents have a right by law to withdraw their children from the Religious Education curriculum. In this event, we will undertake responsibility for their supervision with regard to health and safety. Information on these arrangements are clear on our website. There will always be opportunity for parents to discuss the contents of the RE curriculum should they have concerns.

## **Aims of RE**

- To enable pupils to know about and understand Christianity as a living faith that influences the lives of people worldwide and as the religion that has most shaped British culture and heritage.
- To enable pupils to know about and understand other major world religions and world views, their impact on society, culture and the wider world, and to appreciate the diversity, continuity and change within those religions and world views
- To engage with challenging questions of meaning and purpose
- To contribute to the development of pupils' own spiritual/philosophical convictions, exploring and enriching their own beliefs and values.
